

PROJECT PROFILE

RetroShield® System

Blue Ridge Electric Cooperative Westminster, SC

Project Information

RetroShield® System Distributor:
Service Partners, Suwanee, GA

Insulation Contractor:
Gale Insulation, Piedmont, SC

Product Application:
RetroShield® System - Metal Building Insulation

Completion Date:
March 2010

Problem

- Vinyl-faced batt insulation was delaminating

Solution

- Clean, finished appearance
- Existing insulation did not have to be removed
- Increased R-Value and improved comfort
- Day-to-day operations were not interrupted
